A GIFT from a Friend
25 YEARS IN THE FUTURE AND
12.5 HOURS INTO YESTERDAY...
(A TREATISE for BILLIONAIRES)

In Defense of the INFJ Personality and the BILLIONAIRE MAP

• “Eccentricity has always abounded where strength of character has abounded; and the amount of eccentricity in a society has generally been proportional to the amount of Genius, Mental Vigor and Moral Courage which it contained. That so few now dare to be eccentric, marks the chief danger of the time” ...

John Stuart Mill

Incubation Source

(My directive was to build a "St. Jude" Hospital in Mumbai named for the Goddess Lakshmi and to END the SLUM...)

The writing of this project for the use of Hrithik Roshan and my ***firm*** belief in the content of his heart, has brought me derision, scorn, and constant advice to drop the endeavor as impossible, the questioning of my ***true*** intentions at best, and the proof of my insanity at worst. Frustrated, I laid this project on the Altar of Lakshmi *before I even knew who She was*, and I said the following 'prayer'... "I don't know WHO the fuck you are... but IF you want me to do this, YOU better SHOW me HOW...and so SHE did..."

DIAGNOSTIC

- Movie production is an extreme sport, requiring mental agility, strength of character and a spiritual adroitness that very few possess or that very few are able to sustain without mental or physical breakdown. It is perhaps one of the MOST labor intensive and mentally challenging occupations with either great reward or devastating failures at its apex. Eventually every person will succumb to the inevitable physical and mental trauma inflicted by the industry, and the ravages of time. The answer to this dilemma is to be prepared, during the ‘growing’ season for the arrival of Winter...

Me and my grandson.

Intro.

Bubba, Not my grandson

- I am an American entrepreneur and writer. Currently I have written an unauthorized biography of Hrithik, that evolved into something else, which I will talk about later. I have reached the ending years of my life and have chased big money for most of it.
- I asked the Universe for 2 things during the last 40 years. I asked never to love anything so much that I would lose my identity. 2nd, I asked for ENOUGH, after losing a billion dollar project (again). My requests have been answered. As a Solutionist, I have noticed Hrithik and his Papa working themselves nearly beyond endurance and after his brain injury, and his Dad's cancer scare, I decided to send you this synopsis. If you have already considered these things, feel free to round file my opinions. At least, hear me out...

Essential Businesses with the least Labor Intensity

- **Super Auction** Fund from Film Industry Super Stars, ALL DONATED items, to change INDIA which would allow Hrithik to fulfill his DESTINY, as the Philanthropist equal to and in conjunction with Bill Gates and Warren Buffet whom have already poured billions into India and the developing world. - DOING ALL MANNER OF **CONSUMABLES** ON AUTO SHIP.

HRITHIK ROSHAN PERFORMS THE AMERICAN SONGBOOK HIP HOP SERIES & CLASSIC RHYTHM AND BLUES

- Song mix is all important for this series. The American Song book should include:
- Trick Daddy “Sugar”
- Trick Daddy “Da Wind”
- Bruno Mars “Uptown Funk”
- Solo, “Tell me where to put it.”
- Wilson Pickett “Mustang Sally”
- Marvin Gaye “Sexual Healing”
- Isley Brothers “Midnight Hour”
- Levert “Casanova”
- Pharrell “Happy”
- Talking Heads, “Burning down the House”
- Rihanna, “Te Amo”
- Timberlake “Sexy Back”

2 OPTIONS: DANCE OR SING OR BOTH.
FAN BASE WILL LOVE AND BUY
@ 99¢ WORTH MILLIONS...

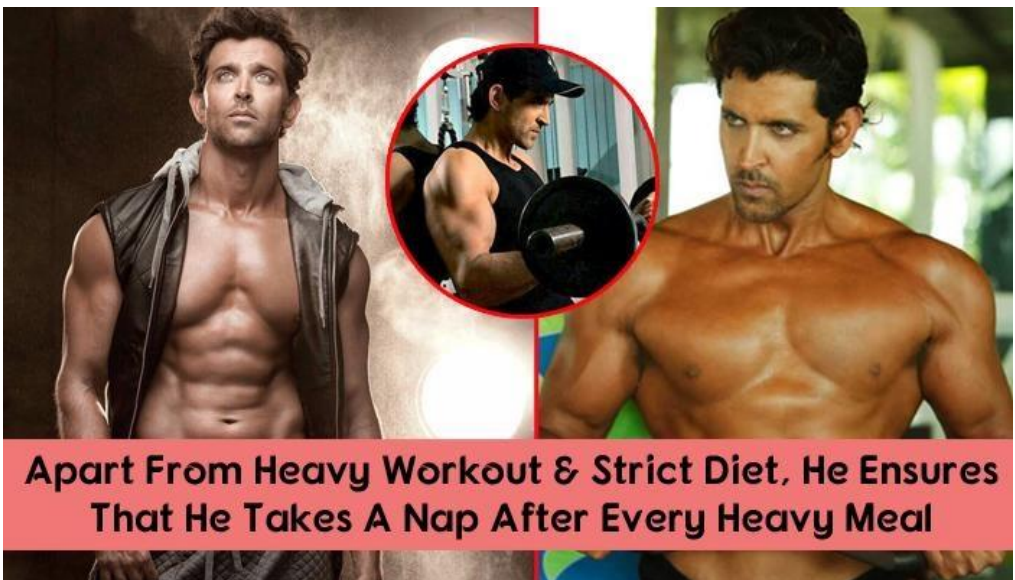

Mrithiks' Wardrobe available @?????????

- Maybe I have just missed the option. But I have to search the Web to locate certain wearables that I have seen in his various movies. This is a HUGE missed opportunity for mass amounts of sheckles. I know he has HRX but what about Formal Wear, and NON-sports apparel? I want the moss green sweater from "Luck by Chance" and I am NOT the only customer out there. Wardrobe from each movie or appearance should be available to purchase. Just sayin'...Why leave all this money on the table **Hmmm?**

FITNESS DVD FOR WOMEN

- I know that your work out DVD is already in production and I am in support. I am just sure that the bulk of your fan base is NOT bodybuilders. It would be very beneficial if you did a work out video for your female fan base with 2 gorgeous women working out with you. This video should be set to sexy music with encouraging 'lectures' on life during rest periods with your viewpoint on supportive philosophies for your female admirers.

Apart From Heavy Workout & Strict Diet, He Ensures That He Takes A Nap After Every Heavy Meal

TRIBUTE TO MJ BY HRITHIK

Fan based
DVD sales
world wide...

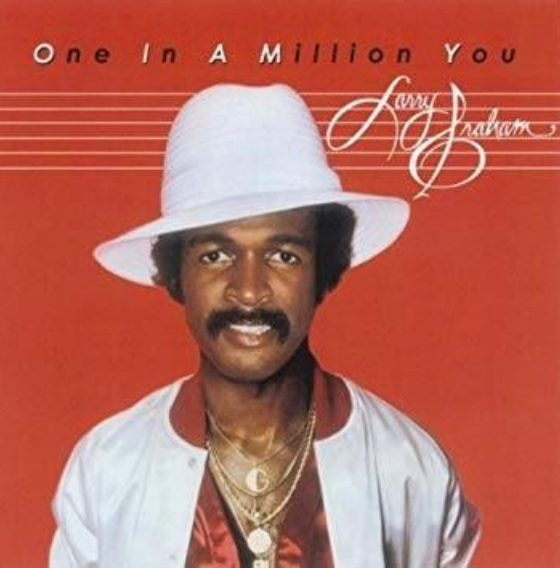

I would love to see Hrithik perform with all the moves that he avoids, made famous by MJ. Tiger does it but Hrithik is super aware NOT to offend anyone and in doing so the captivating sexuality that IS Hrithik, becomes watered down. It is sad that so many religions have made human sexuality appear unhealthy, instead of the Gift given to men and women by God. I want Hrithik unleashed and helped with this process, by Timbaland, Wade Robeson Choreographer, Ganesh, etc. It would be phenomenal to see him without compromise and restraint when performing.

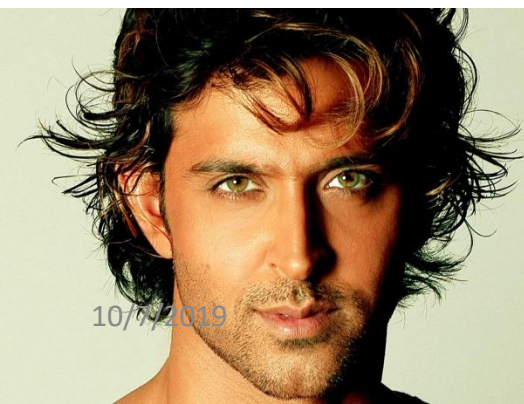

See Dox: "Leaving Neverland" by Dan Reed Parts 1 and 2 for his general Info...

**MICHAEL
JACKSON**

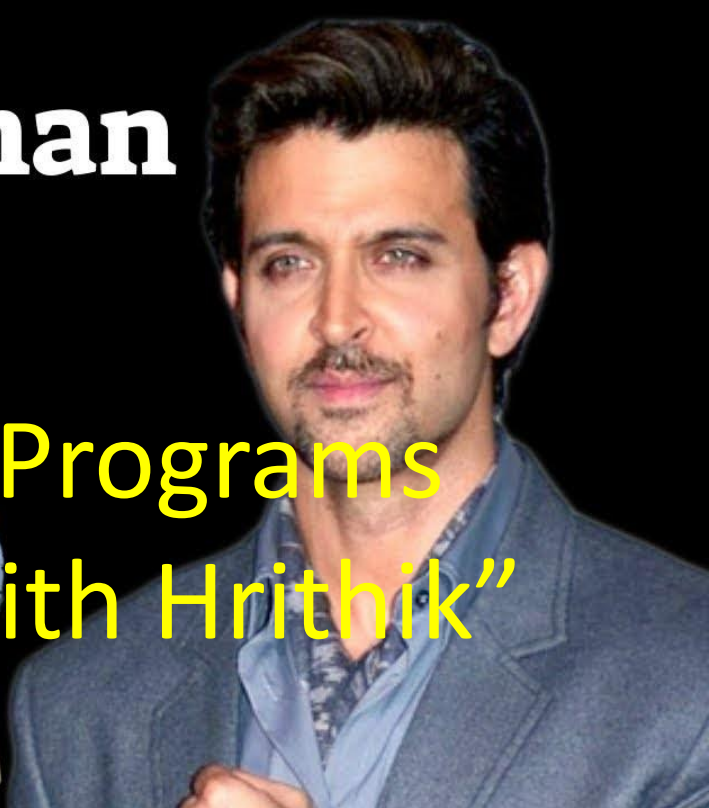

- Hrithik performs a DVD with Love Songs just for his female fans fantasy. He can do a series of movie 'shorts', or just dance performance but all done in a very romantic style. He can do some Hindi and some American songbook materials like Larry Graham "One in a million You" and Tony Rich "Nobody knows it but me" ... worth millions in sales...

Hrithik Roshan Diet Plan

- This is a series of Cooking Shows in which Hrithik cooks his favorite meals with Guest Chefs and perhaps a fan contest winner. He can tout great Nutrition or just his Celebration Meals with his Kids and family participating to bring their special spin to the program. Other Stars can do Guest appearances for lots of fun. Of course spin off with recipe books and DVD sales.

- I see 2 generations blessed with beautiful skin. This is the single desire of every person alive. To look great. Are you aware of Cindy Crawford and her “Meaningful Beauty” line? It is worth @\$175,000,000.00 in annual sales. She does NOT have a Fan base of nearly 600,000,000 like Hrithik...

This is a natural product line for you and your family that could evolve with just a good infomercial and a pharma company with some good dermatological input and you have a fan base of millions of women who would choose a monthly auto-ship. This one product line could set up your dynasty for generations.
