# 7th HEAVEN CHARITY

7 ways WE can  
CREATE  
HEAVEN  
ON EARTH

the Pentangeli Projects  
YOU ADD THE KINDNESS

**Mission Statement:** The Lucky few who possess Beauty seldom understand the terrible power and responsibility of such a random and unearned occurrence. Often it devolves into a catalyst for selfish gain and contributes little towards real power or lifelong stable contentment, nor an inspiration to pay it forward. We have the Solution!

GENERIOUSITY REDEFINED

CHARITY REIMAGINED

**Beauty is Ethereal and Myriad.** Human Beauty can be Intellectual as well as physical and is more often evidenced by Talent in Music or Art that **influences societal changes** still repeating millennia forward into human history. Buddha, Jesus, Einstein, Shiva, Nefertiti, Taylor, Shakespeare, Aretha, Milton, Heinlein, Chappelle etc.

You get the picture. Beauty has at its' core a special kind of Genius. This Charity has as its' **CORE Value**, helping those Blessed with Beauty to **CONVERT** that unsolicited Genius into a commodity that can be exploited for the **BENEFIT for all Mankind** without guilty entreaties to the Gifted Artist, begging for more until we break the very spirit of the Beloved Beautiful and extinguish their altruism, begging to extort beyond that which is humanly endurable.

We have provided a **SOLUTION** which **changes** the face of **GIVING into a Bountiful Exchange**, for both parties involved in this most blissful of **SYMBIOSIS**. **CHARITY REIMAGINED**, SO THAT **NO CASH FROM THE DONOR IS REQUIRED**, yet we SOLVE THE CRISIS IN FOOD, EDUCATION, FAMILY and ENVIRONMENT. **GENERIOUSITY HAS BEEN REDEFINED...**

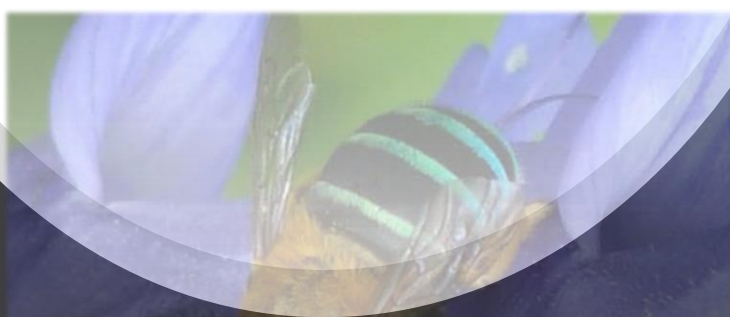

UNIQUE, NOSTALGIC, ONE OF A KIND, PRICELESS, RARE,  
UNOBTAINABLE, HIGH DEMAND/LIMITED QUANTITY

## DEFINE PRECIOUS?

ONE OF THOSE WORDS DESCRIBES SOMEONE YOU LOVE  
AND IT IS THE PREMISE BEHIND FUND RAISING FOR  
YOUR PERSONAL CHARITY AND IS OUR CORE IDEA FOR  
A DONATION PROCESS THAT INITIALLY DOES NOT  
INVOLVE ANY CASH DONATION. WE ARE AN EFFECTIVE  
SAFE, SECURE, COLLECTION SITE FOR YOUR CHOICE OF  
GIFT TO MANKIND, OR A PERSONAL PASSION PROJECT.  
SIZE DOES NOT MATTER HERE.

Honeybees insure  
the pollination of future crops

We too can ensure a  
Future filled with Sweetness  
Of Spirit through ingenious  
Generosity

## How does it work exactly?

- Let's take an example. We will assume that you are a Celebrity in Bollywood films and you are particularly interested in Universal Education and the end of Casteism. If you donated 50 Crore you would NOT be able to make a dent in the overwhelming need, in a Country of a 1.3 Billion! We do not want to beg for cash donations, but rather ask that the Celebrity would lend US, his or her FAN base, to add exponentially to their favorite Charitable endeavor. The more Followers, Fans, Likes etc., The larger their projected impact will be for their pet project.
- An altruistic Influencer or Celebrity, would donate any object that MAY possibly be of interest to his or her Fans. For instance, Ranveer could choose to donate to his pet Charity a favorite hairbrush that he used during the filming of " Bajiro Mastani" or perhaps one of the gorgeous Costumes of the Peshwa in the movie. Obviously, the hairbrush may interest 2000 of his fans who love him or the movie, whereas the Costume would enthrall millions! 5 Angels would announce an auction of this item or items exclusively to his fan base along with the identity of his chosen Charity recipient, along with the Auction date and deadline.
- Ranveer would then post a photo of him holding the item or wearing the costume to authenticate its' provenance, and then 5 Angels would host the Auction on our site and 95% of proceeds from the Auction would go directly to His Charity and 5 Angels would retain 5% for operating expenses and the lucky winner would receive the item mailed directly from Ranveer. Prabhas may donate a lunch or dinner with him, and again Auction off this lunch for benefit of his Charity under the same parameters. Desirable items could range from a sweaty work out shirt to an item of jewelry. Shahrukh has a billion fans, so you see with just a little bit of effort he could single handedly change the face of India, with just a keychain with a lock of his hair! Now multiply this concept on a worldwide basis. I think you will easily grasp that VALUE is different to each fan or admirer of the Star, Author, Musician, Actor, Artist. The Cosmos is limited only by our imagination. PRECIOUS is in the eye of the Beholder, in this case the loving FANS!
- The Beauty of this concept is that the Money is released immediately to the Charity at Auctions end, again 95% to the Charity and 5% to 5 Angels as the Host. The Celebrity will designate the Charity, the contact person for the Charity Beneficiary and will control the item AND determine the length of the Auction! It is a pretty simple Concept, and is based on the business model of on-line Auction sites like eBay and will also include a BUY IT NOW button for the Fans.
